I Theodore Oiser have closed out the Business Account of Teddy Kim LLC. It was set up to be used AS A Crypto Profit but never used. The bank wouldn't accept the paperwork and ended up getting scanned by the Financial Advisor and the company Affiliated. There is An open investigation on the Advisor and the Company. Case # 24-1882. I closed the business so that the Advisor or Affiliates cannot use my information, license or Anything else to their Advantage.
