**ARTICLE VI
CAPITAL CONTRIBUTIONS**

The members may contribute capital to the Company in the manner prescribed by the Company's written operating agreement executed by all members, as it may be amended from time to time.

**ARTICLE VII
MEMBERSHIP**

Except as expressly provided in a written operating agreement executed by all members, the Company shall have at least one member at all times and may only admit additional members upon the prior, unanimous written agreement of all then-existing managers.

Notwithstanding any oral or written agreement to the contrary, a person or entity who is a prospective member of the Company does not attain status as a member unless the Company has issued to that prospective member a valid equity unit certificate in the name

of the member that is signed by the Company's manager or other duly authorized representative. The certificate need not be sealed. The certificate may be dated on a date that is different from the date of its execution, and, if so dated, a prospective member's status as a member is thereby made effective retroactively or prospectively according to the date written on the certificate. The certificate may be in digital form and maintained by the Company.

**ARTICLE VIII
EFFECT OF FORECLOSURE AND CHARGING ORDER ON MEMBERSHIP
INTEREST**

As long as the Company has more than one member, the remedy of foreclosure or charging order on a judgment debtor's interest in the limited liability company or against rights to distribution from the limited liability company is not available, and if any attempt to foreclose on a member's interest is successful, and the creditor is not a member of the Company or a party controlled or under the direction of a member of the Company, the Company shall immediately purchase the foreclosed interest for \$1.00. If any attempt to enforce a charging order is successful, and the creditor is not a member of the Company or a party controlled or under the direction of a member of the Company, the Company shall no longer issue distributions of profits or losses to the membership interest effected by such an order, until the effect of such an order is removed. Such distributions of profit and losses which would normally be issued to such membership interest effected by a charging order, but are withheld, shall be distributed to the remaining membership interest on a pro rata basis. Nothing in this section should be construed to reduce member's debtor rights under the law. This section does not apply to ownership interest owned by Brian B. Heapps.

**ARTICLE IX
SECURITY INTEREST IN COMPANY AND COMPANY ASSETS**

No party is granted a consensual security interest in the Company membership interest or assets to pursue the remedies available to a secured creditor under section 605.0503 of the Act or any other law applicable to secured creditors, without the written approval of all Managers.

Unless otherwise expressly provided in a written operating agreement, on the death, retirement, resignation, expulsion, bankruptcy, or dissolution of a member, or on the occurrence of any other event that terminates the continued membership of a member in the Company, or upon any other event that, under the Acts, would result in dissolution of

the Company, the business of the Company may be continued and the Company will not be dissolved without the written consent of the Company's remaining members.
