Doc# L23000499937

Date filed: November 02, 2023

My name is Adrian Jessome, and I am writing to formally report the wrongful alteration of my LLC's ownership. I created this LLC on November 2, 2023, and I have the EIN number and all necessary documentation to prove that I am the sole owner and registered agent of this entity. On November 27, 2024, an individual named Stephanie Carrero with an address of 3011 Ybor St. Tampa, FL 33605 amended the LLC's records, removing me as an owner and adding herself without my knowledge or authorization. I do not know this individual, nor did I grant any permission for this change. I respectfully request an immediate investigation into this matter and the restoration of my rightful ownership of the LLC.
