To Whom It May Concern:

We previously submitted our "Other Business Entity" application and the name we currently have for our contracting company in Arizona is already in use in Florida, so we needed to create a new name. This application has the new business name we have selected. We already submitted the \$185 application fee when we applied the first time in September.

If you have any questions or we need to do anything else in order to get our business transferred to Florida, please let us know.

Thank you,
Eric Buchholz
