This form asks for a lot of different numbers which I do not have or know how to get them?
I used my best guess from what I did find and this note looks like I don't want my name?
I do want my name back I accidentally resolved the business when I was trying to change it to a corp and got confused in the process. So I just want my original name Of my business back.
Either way attached is filled out if I have a tracking number then I don't know what it is but all the numbers with my business
