This statement is in regard to my company Changing Lanes Enterprises LLC. On June 17, 2024, Arnold Bell and his mother Angela Paulk, decided to try to put me out of a company that I started from the ground up using ONLY MY FUNDS FROM MY ACCOUNTS. Everything to start this company came from my bank accounts. Angela has stolen a copy of my ID and starting fraudulently trying to steal my identity and from my accounts.

Also on 06/17/2024, Arnold Bell and his brother ShaCory Paulk called and told me they were removing me from the business after using \$24,000 of my funds to start this business by myself. I had to call the police in order to find my vehicle. Arnold stole my license plate registration, Nexar cameras required by the insurance company, Motives ELD equipment, items out of my tractor, and destroyed my log books.

Due to the fact that my debit card paid \$130.00 on 03/29/2024 at 3:35 p.m, and my business has been compromised, I will be reporting fraud for this transaction of \$130.00 to my financial institution that posted on April 01, 2024 and paid on 03/29/2024, at 3:35 P.M. for inappropriate use of my funds. I will also be filing a law suit for pain and suffer and lost wages as this has caused my business to be on a shut down from 06/17/2024-06/29/2024.

In addition, please add a block to Changing Lanes Enterprises LLC and disassociated this account with Changing Lanes Enterprise LLC as we are not the same company.

Thanks,
Asia Braddy
