Dear Rebecca McKnight,

I am writing with regards to someone who is unknown to me using my home address as an LLC. The business name they are using is Rozell Do It All, LLC. I have been receiving letters through the United States Postal Service with the above listed company's name with my home address attached. I also received a letter with the name of Rodney Green attached to this business Rozell Do It All, LLC. I have not authorized nor ever applied for an LLC. The document number attached to this LLC is #L24000303711. I also researched the Internet after receiving these letters and learned that this LLC was established on July 08, 2024. This is a fraudulent business and I have no connection to this person nor business. I am enclosing some copies of the letters I have received, thus far. I am also filing a police report with regards to this fraudulent business. Your help would be greatly appreciated in this matter.

Sincerely,

Lanesha L. Batts
