I, Alex Gentry, residing at 2161 N Springtime Dr, Saratoga Springs, UT 84045, hereby submit this statement of facts related to an incident of identity theft that I discovered on November 13, 2024.

On this date, I learned that an individual by the name of Jerman Frison, of Tallahassee, Florida, had fraudulently opened a Limited Liability Company (LLC) under my name. The company is registered as *Ajgentryretailers LLC*, with the filing number **L24000307529**, and was officially filed on **July 10, 2024**. I was falsely listed as the manager of this LLC, and I did not authorize or have any involvement in the formation or operation of this business.

Upon discovering the fraudulent activity, I immediately took the following actions:

1. **Filed a Police Report:** I reported the incident to the Saratoga Springs Police Department, as well as contacted the Tallahassee Police Department for further investigation into this matter.
2. **Identity Theft Registration:** I registered myself with the *identitytheft.gov* website to help mitigate the impact of this theft and to protect my personal information.
3. **Contacted the Tallahassee Business Bureau:** I reached out to the business bureau responsible for LLC registrations in Tallahassee and was advised to formally document the facts of this case in writing.

As a result of the above actions, I am requesting that the fraudulent LLC *Ajgentryretailers LLC* be immediately investigated and shut down. I demand that a cease and desist order be issued to prevent any further unauthorized business activity or misuse of my name and identity.

Please let me know if any additional documentation or information is needed to support this claim. I am committed to cooperating fully with authorities and relevant parties to resolve this matter.

Sincerely,
Alex J. Gentry
