Subject: Statement of Fact Regarding Business Formation

To Whom It may Concern,

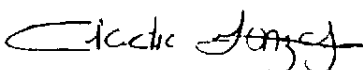

I am writing to formally state that a business has been formed using my personal information without my consent or knowledge. I wish to clarify that I have no affiliation with this business nor with the registered agent, Jenna Bogusky, and any claims suggesting otherwise are untrue.

The use of my name and personal details in connection with this business is unauthorized and misleading. I have not participated in any capacity with this entity, nor do I recognize any obligations or responsibilities associated with it.

Please take note of this statement and update any records or representations as necessary. If you require further information or documentation, feel free to contact me at the information provided above.

Thank you for your attention to this matter.

Sincerely,

Claudia Gonzalez
