Ladies and Gentlemen:

With respect to our request to file Articles of Organization with your offices relating to the above referenced entity – National Software Solutions LLC – we received the attached letter indicating that the use of this name requires us to submit a “notarized affidavit stating that they have no intention of reinstating, therefore, releasing the name for use to another entity.”

We called your office this morning to clarify this requirement and were advised that the issue with using the chosen name is that National Software Solutions Inc. (Document Number P24000071859) was voluntarily dissolved on December 3, 2024, and that the release of the name from that entity is required for the above referenced filing to be completed.

Please be advised that the undersigned, Eric S. Galler, is the incorporator for both National Software Solutions Inc. (Document Number P24000071859) and National Software Solutions LLC (Document Number W24000160263) and that it is the intent of National Software Solutions Inc. to release the name National Software Solutions for use by National Software Solutions LLC in this filing. For reference, we attach the Articles of Dissolution for National Software Solutions Inc. to show that we are the same person making both filings and that we have the authority to notify you that the name may be used for the National Software Solutions LLC filing.

If you have any questions, you can reach us at the below contact information.

Sincerely,

Eric S. Galler
