This is one of three filings that were submitted by fax on 14 January 2025 which were never processed by your department.

This is now being re-submitted for the second time with the expectation that it will be promptly processed.

The proposed effective date in the previous filing has been changed to the current date due to concern that you would not now accept the earlier date specified in the previous filing as it was more than five business days prior to the current date.

Please process this filing as soon as possible as we have already experienced trouble resulting from this delay.

Thank you.
