RE: Corporate Filing

DATE: June 23, 2000

In April of this year, we contacted the Dept. of State to request a corporate filing form for the year 2000. We were transferred to the automated system, which we gave our new address so that we could receive and file the forms necessary. After not receiving the form I personally called the Dept of State to request another form, this took place approximately May 30, 2000.

After speaking to someone at this office, I was informed to fill out the form and attach this letter explaining the situation. Also due to the delay I was told to include a check for \$150.00.

As per these instructions, find this letter attached to the form and a check for \$150.00. I finally received this form on June 20, 2000. If there are any questions please contact me at the above phone number or my pager number (954) 210-1516.

Also included is the Corporate detail record screen print out.
Thank You

Rick Pollard
President
