- Item Description.** I request the Credit Union to stop payment on the share draft, check, preauthorized electronic funds transfer ("EFT"), or ACH draft ("Item") described above. I warrant that the Item description, including the date or scheduled transfer date, its exact amount, the Item number, and payee are correct. I understand that the EXACT information on the Item is necessary for the Credit Union's computer to identify the Item. If I give the Credit Union the incorrect amount or any other incorrect information, the Credit Union will not be responsible for failing to stop payment on the Item.
- Postdated Items.** If this request involves a Postdated Item, as indicated above, I hereby request the Credit Union to Stop Payment on the share draft or check I presented for payment prior to the date of the Item. My Stop Payment request on a Postdated Item is subject to all other terms and conditions for Stop Payment Orders on this request.
- Stop Payment Order.** I agree that the Credit Union will not be responsible for stopping payment unless my Stop Payment Order is received by the Credit Union (1) within a reasonable time for the Credit Union to act on my order prior to final payment or similar action; or (2) at least three business days before the scheduled date of the preauthorized EFT or ACH draft. I understand that my stop payment request is conditional and subject to the Credit Union's verification that the Item has not already been paid or that some other action to pay the Item has not been taken. I understand that my Stop Payment Order will be effective as follows: for an oral request (if permitted by the Credit Union), a period of fourteen (14) days from the date of this request; for a written request, a period of six (6) months from the date of this request unless I withdraw this order or renew the order for additional periods, in writing. I also agree to notify the Credit Union promptly upon the issuance of any duplicate Item which replaces the Item subject to this order or upon return of the original Item. I agree to pay the Credit Union a stop payment fee for each request as set forth above.
- Indemnification.** I agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, (to the extent permitted by law) damage or claims related to the Credit Union's action in refusing payment of the Item, including claims of any joint owner, payee, or endorsee, or in failing to stop payment of an Item as a result of incorrect information provided by me.

**Re: Case Number: KA5597242**  
**Property Address: 700 Cypress Pointe Drive East**

Dear Sir:

"Tyree" of UPS Customer Service has directed us to your office to research why our mail was tampered with.

I would appreciate if your carrier and office for our home address would investigate possible mail theft and/or tampering of our mail. This has happened before, but a long time ago. I mail a lot of mail from our mail box with the flag up for our carrier. For now I will stop and take our mail to the local Post Office branch, but, this is an inconvenience and I would like to mail from my home.

Can you please research and see if your mail person for this area knows what is happening or can help?

You can reach me at (305) 416-1956 (work), (305) 510-7538 (cellular) or (954) 438-4634 at home.

Thank you in advance,

PLANT MANAGER  
SOUTH FLORIDA PROCESSING AND DISTRIBUTION CENTER

 UNITED STATES  
POSTAL SERVICE.

Dear Postal Customer:

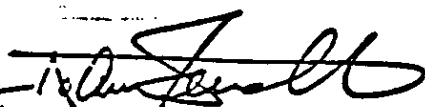

The enclosed were found loose in the mails or has been damaged in handling (whichever is applicable to the enclosure).

We realize your mail is important to you and you have every right to expect it to be delivered intact and in good condition. The Postal Service makes every effort to properly handle the mail entrusted to us but due to the large volume, occasional damage may occur.

When a Post Office handles in excess of three million pieces of mail daily, it is imperative that mechanical methods be used to maintain production and ensure prompt delivery of the mails. It is also an actuality that modern production methods do not permit personal attention to individual pieces of mail. Damage can occur if mail is insecurely enveloped or bulky contents are enclosed. When this occurs and our machinery is jammed, it often causes damage to other mail that was properly prepared.

We are constantly striving to improve our processing methods to assure that an occurrence such as the enclosed can be eliminated. We appreciate your concern over the handling of your mail and sincerely regret the inconvenience you have experienced.

Sincerely,

  
JoAnn Feindt

**Re: Community Involved "GOTV", Inc (#J68674)  
Elm Vertical Blinds, Corp (#L40872)**

Dear Sirs:

Attached is a letter I received from United States Postal Service and, now, I realize my check previously mailed for my renewal of the above referenced corporations was not received by your department. Unfortunately, I had to stop payment and now I am resending another check to you and the documentation of my problem with UPS.

I called several times to your 1-850-488-9000 number and finally spoke to Robert on June 21, 2001 and was told to remail and attach copies and a new check to cover 2001 filing fees. I have also attached my complaint letter to my postmaster of Miramar (Case # KA5597242) which will, hopefully, resolve this type of problem. Tyree, a UPS Customer Service Representative, (1-800-275-8777), has also lodged this complaint for investigation.

Please accept my apology for having to write to your department with my UPS problem, but hopefully you will receive this letter and check for both corporations.

Sincerely,

Earl L Maye
