#### 3.2 CONVERSION RIGHTS.

(b) Each individual share of Series A Preferred Stock shall be convertible into the number of shares of Common Stock equal to: [four times the sum of: {all shares of Common Stock issued and outstanding at time of conversion + all shares of Series B Preferred Stock issued and outstanding at time of conversion}]

(c) The holders of the Series A Preferred Stock may convert only by unanimous board consent of the Corporation.

#### 3.3 VOTING RIGHTS.

(a) If at least one share of Series A Preferred Stock is issued and outstanding, then the total aggregate issued shares of Series A Preferred Stock at any given time, regardless of their number, shall have voting rights equal to four times the sum of: i) the total number of shares of Common Stock which are issued and outstanding at the time of voting, plus ii) the total number of shares of Series B Preferred Stock which are issued and outstanding at the time of voting.

(b) Each individual share of Series A Preferred Stock shall have the voting rights equal to:

Divided by:

(c) All decisions requiring the vote of the Series A Preferred Stock shall be by majority vote of the outstanding shares at any time called by meeting, by proxy or written action in lieu of a meeting.

#### 4. DESIGNATION OF SERIES B PREFERRED STOCK.

4.1 DESIGNATION AND AMOUNT. 50,000,000 shares of the Corporation's authorized but undesignated preferred stock shall be designated as Series B Preferred Stock and having the conversion, voting and other rights and qualifications, limitations and restrictions set forth as follows:

4.2 DIVIDENDS. The holders of Series B Preferred Stock shall be entitled to receive dividends when, as and if declared by the Board of Directors, in its sole discretion,

4.3 LIQUIDATION RIGHTS. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, before any distribution or payment shall be made to the holders of any stock ranking junior to the Series B Preferred Stock (which stock shall be the common stock but not the Series A Preferred Stock), the holders of the Series B Preferred Stock shall be entitled to be paid out of the assets of the Corporation an amount equal to the initial issuance per share or, in the event of an aggregate subscription by a single subscriber for Series B Preferred Stock in excess of \$100,000, 99.7% or the initial issuance price per share (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares) (the "Preference Value"), plus all declared but unpaid dividends, for each share of Series B Preferred Stock held by them. After the payment of the full applicable Preference Value of each share of the Series B Preferred Stock as set forth herein, the remaining assets of the Corporation legally available for distribution, if any, shall be distributed ratably to the holders of the Corporation's Common Stock and Series A Preferred Stock equally.

#### 4.4 CONVERSION AND ANTI-DILUTION.

(a) Each share of Series B Preferred Stock shall be convertible, with certain conditions being met including, but not limited to, board of directors approval, into the number of shares of the Corporation's common stock, par value \$0.001 per share (the "Common Stock") equal to the price of the Series B Preferred Stock as stated in Section 4.6(a) of the Articles of Incorporation, divided by 2.50, equaling one (1) share of the Common Stock for each share of the preferred B stock, subject to adjustment as may be

determined by the Board of Directors from time to time (the "Conversion Rate"). For example, assuming a \$2.50 price per share of Series B Preferred Stock, and a par value of \$0.001 per share for Common Stock, each share of Series B Preferred Stock would be convertible into one (1) share of common stock. Such conversion shall be deemed to be effective on the business day (the "Conversion Date") following the receipt by the Corporation of written notice from the holder of the Series B Preferred Stock of the holder's request to convert, and subsequent board of directors approval, the shares of Series B Stock, together with the holder's stock certificate or certificates evidencing the Series B Preferred Stock to be converted.

(b) Promptly after the Conversion Date, the Corporation shall issue and deliver to such holder a certificate or certificates for the number of shares of Common Stock issuable to the holder pursuant to the holder's conversion of Series B Preferred Shares in accordance with the provisions of this Section. The stock certificate(s) evidencing the Common Stock shall be issued with a restrictive legend indicating that it was issued in a transaction exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), and that it cannot be transferred unless it is so registered, or an exemption from registration is available, in the opinion of counsel to the Corporation. The Common Stock shall be issued in the same name as the person who is the holder of the Series B Preferred Stock unless, in the opinion of counsel to the Corporation, such transfer can be made in compliance with applicable securities laws. The person in whose name the certificate(s) of Common Stock are so registered shall be treated as a holder of shares of Common Stock of the Corporation on the date the Common Stock certificate(s) are so issued. All shares of common Stock delivered upon conversion of the Series B Preferred Shares as provided herein shall be duly and validly issued and fully paid and nonassessable. Effective as of the Conversion Date, such converted Series B Preferred Shares shall no longer be deemed to be outstanding and all rights of the holder with respect to such shares shall immediately terminate except the right to receive the shares of Common Stock issuable upon such conversion.

(c) The Corporation covenants that, with unanimous board of directors approval, within 30 days of receipt of a conversion notice from any holder of shares of Series B Preferred Stock wherein which such conversion would create more shares of Common Stock than are authorized, the Corporation will increase the authorized number of shares of Common Stock sufficient to satisfy such holder of shares of Series B submitted such conversion notice.

(d) Shares of Series B Preferred Stock are anti-dilutive to reverse splits, and therefore in the case of a reverse split, are convertible to the number of Common Shares after the reverse split as would be equal to the ratio established in Section 4.4(a).

The conversion rate of shares of Series B Preferred Stock, however, would increase proportionately in the case of forward splits, and may not be diluted by a reverse split following a forward split.

4.5 VOTING RIGHTS. Each share of Series B Preferred Stock shall have one vote for any election or other vote placed before the shareholders of the Company but voting shall not be by class of stock but by majority vote of all outstanding shares of stock, including Common Stock and Series A Preferred Stock calculated in accordance with the voting rights set forth herein.

4.6 PRICE.

- (a) The initial issuance price of each share of Series B Preferred Stock shall be \$2.50.
- (b) The initial issuance price of each share of Series B Preferred Stock may be changed either through a majority vote of the Board of Directors through a resolution at a meeting of the Board, or through a resolution passed at an Action Without Meeting of the unanimous Board.
