Re: Document #L62308

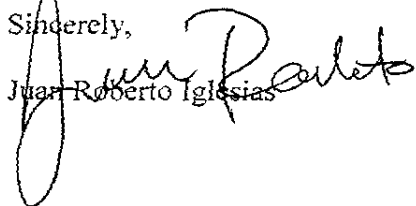

To Whom It May Concern:

Recently my wife went online and renewed my corporation. She paid a total of \$550.00 for this. When she told me how much she paid I found it odd and asked my accountant why it had gone up so much this year. He informed me that there was a penalty if I file after May 1st. I told him that I just recently received the paper informing me that I had to renew.

He says that there is an exception to the penalty if I never received the reminder in the mail timely and I did not. I was wondering if there was any way to abate that penalty and to get a refund for the \$400 extra I paid.

Thank you for your attention to this matter. Please contact me if you need any more information.

Sincerely,

Juan Roberto Iglesias
