Statement of Fact

I am a Director of Crystal Waters Development Company of Crystal River, A Florida Profit Corporation, effective date May 5, 1990. This Corporation was formed by my father James P. Eyster for the furtherance of our land development activities in Crystal River Florida. I was added as a Director on February 6, 2008

The development activities languished and the corporation was dissolved in 2013, however future development activities were anticipated on the remaining real property. My father James P. Eyster died on September 5, 2016.

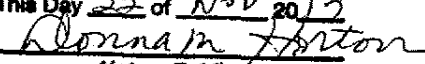

It has come to my attention that a reinstatement of this Corporation took place in November 22, 2016, initiated by Steve White, Trustee of Water Development Trust, P.O. Box 1743 Crystal River, FL 34429. The Registered Agent on the Reinstatement is listed as Rocky Green, Florida Registered Agent LLC 3030 N. Rocky Point Rd, Tampa, FL 33607. The Reinstatement lists James P. Eyster as President/Director and Water Development Trust as VP/Trustee. The Current Principle Place of Business address is listed as 18 NE 4th Ave, Crystal River, FL 34429, **said address being the location of the U.S. Post Office.**

Subsequently, a 2017 Annual Report was filed on Feb 14, 2017 with James P. Eyster removed and Water Development Trust moved to the position of Pres/VP/Trustee.

We have no knowledge of "Steve White" or "Water Development Trust". This reinstatement of Crystal Waters Development Company of Crystal River by Steve White is fraudulent and unauthorized.
