14. The first of the two conditions appears to be the more important, because it is the one which is most likely to be satisfied. The second condition, on the other hand, is more difficult to satisfy, and it is more likely to be violated. The first condition is satisfied if the first of the two conditions is satisfied. The second condition is satisfied if the second of the two conditions is satisfied. The first condition is satisfied if the first of the two conditions is satisfied. The second condition is satisfied if the second of the two conditions is satisfied.
