Re: Document L94119

Dear Sir or Madam,

This notice of the 2002 Uniform Business Report and filing form is the first that we have received for this year's filing. We did not receive any earlier notice for filing prior to the normal due date. We are very confident in our assertion that the earlier notice was not received; for having been stung by missing the deadline once in the past – and paying the costly reinstatement fee – we have since always been most careful to file and pay in plenty of time before the first and normal deadline. We're quite sure that it would have been handled carefully and promptly had it been received.

We called the Division of Corporations to inquire as to how we should attest to this situation and to get relief from the \$400 late filing fee. We were told by a Trisha to simply pay the regular annual fee of \$150 and include a memo such as this one to explain the circumstances. This seemed to us to be too simple and informal so we called back and asked again, and got the same instructions from a different agent. So, here it is.

If you have any questions, or need any more formal affidavit, please call us, we will be happy to oblige.

Rob Cole
