RE: MFX, L.C.  
FEIN # 59-3519843  
Period 1999  
Type Tax or Fee: Limited Liability Company Annual Report for 1999

Dear Sir or Madam:

We recently received a 2<sup>nd</sup> Notice --- Limited Liability Company annual Report. The 2<sup>nd</sup> Notice (Notice) indicated we owed a filing fee and penalty of \$538.75. This fee and penalty are requested because we did not file the 1999 Limited Liability Company Annual Report by May 1, 1999. In reviewing this Notice, we found that if we had filed the Annual Report by May 1, 1999, the \$400 late fee would have been avoided. The purpose of this letter is to request an abatement of the \$400 late filing fee or penalty due to reasonable cause.

MFX, L.C., was organized as a limited liability company on July 9, 1998. Therefore, its first year of operation was 1998. During 1999, we continued to operate the business, unaware of any Annual Report filing requirement. We recently received the 2<sup>nd</sup> Notice from the Division of Corporations. We never received an earlier notice. As soon as we received the 2<sup>nd</sup> Notice, we researched the notice and its filing requirements. We only then learned of the rules of compliance. We are now and will continue to make an earnest effort to properly comply with the filing requirements.

Since 1998 was the first full year of the LLC, we believe our actions demonstrate that we exercised ordinary care and prudence. Our first year of operation has been a real struggle. We have applied due diligence in learning the filing requirements and conducting business according to the laws to the best of our abilities. According to 12-13.007, Grounds for Reasonable Cause for Compromise of Penalties (b), we believe the facts here demonstrate reasonable care with our limited experience in dealing with Florida tax matters.

Our past mistake of noncompliance due to lack of experience with Florida tax matters and a lack of understanding will not occur in the future. We now understand the filing process and related penalties and fees in order to promote better compliance in the future. Based to the facts of this case, we ask the division of Corporations to consider our penalty reduction request. We request that we pay only the annual fees and that the \$400 penalty be abated. Henceforth, we promise to properly comply to all Division of Corporation rules and regulations. We are enclosing a check for the annual fee only in the amount of \$188.75.

Thank you for your consideration of this request.

Sincerely yours,

Richard Matuszewski
