Dear Ms. Butler,

I hope this letter finds you well. I am writing to address the concerns raised in your letter dated September 20, 2023, regarding an alleged lack of payment accompanying the Articles of Amendment to Articles of Organization submitted for Allied Trucking of Palm Beach.

We wish to clarify that the original payment was indeed included with the initial submission of the Articles of Amendment. Unfortunately, it appears there was a misunderstanding, and we received notification from the Florida Department of State Division of Corporations indicating that we had submitted the incorrect form, specifically by filing Articles of Amendment to Articles of Incorporation. Upon receiving this notification, we promptly complied and resubmitted the correct form as instructed.

We were explicitly instructed during this correction process to resubmit the corrected Articles of Amendment to Articles of Organization without an additional payment. This was under the guidance that the original check, which we are attaching herewith as Exhibit A, would serve as sufficient proof of payment.

We understand the importance of adhering to the statutory requirements and assure you that it was not our intention to bypass any procedural or financial obligations associated with filing amendments to our organizational documents. We are committed to resolving this matter promptly and ensuring that all due payments are accounted for, in accordance with the applicable laws and regulations.

Thank you very much for your attention to this matter, and we look forward to your prompt response. Please feel free to contact me at (786) 559-8123 or dmerino@alliedtk.com should you require any additional information or documentation.

Sincerely,

Daniel Merino, Esq.
