Re: Amendments to Articles of Organization for Professional
Limited Liability Companies

Dear Ms. Tadlock:

You may recall having a conversation with me earlier this month wherein I informed you that our office had filed, in late November and early December, Articles of Organization with the Secretary of State's office for three professional limited liability companies. However, when we filed those Articles we appended the initials "LLC" after the name of each company instead of the initials "P.L." as is required for a professional limited liability company.

In our conversation you indicated to me that since the Secretary of State allowed these Articles to be filed, the State would file the Amendments changing the initials appended to the names from "LLC" to "P.L." at no cost. Therefore, please find enclosed an original and one copy of an Amendment to the Articles of Organization for each of the following professional limited liability companies:

Children's Urology Group, P.L.
Pasco-Hernando Surgical Associates, P.L.
Samuels and Lazar Anesthesia, P.L.

I would appreciate your filing the enclosed Amendments, date stamping the copies and returning the copies to our office.

Should you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Randell Miller
