To Whom it May Concern,

10/24/03

I spoke to someone this morning who said to send \$50 ck + explain why I never set UBA out,

1st I owned a Business Promo's Home Interiors in entire Building.

We had to close down the business Promo's Home Interiors. In the confusion between business + real estate that could be one reason for not filing 2nd person we had our mail sent to home (mail change) + know to that due to buyers MAYO check, + not home or business the mail could have been lost also.

There is not an excuse this is the truth why wouldnt we want to file the paper? Hope you decide \$50 is enough we lost all our money in Business in Florida.

Yours Truly
Ernie Wright
