(c) with respect to each asset whose Gross Asset Value differs from its adjusted federal income tax basis, (1) in lieu of the depreciation, amortization, and other cost recovery deductions taken into account in computing such Taxable Income or Tax Loss, there shall be taken into account Depreciation for such fiscal year or other period computed in accordance with the definition of Depreciation herein, and (2) gain or loss resulting from any disposition of such asset shall be computed by reference to its Gross Asset Value, rather than the adjusted federal income tax basis of such asset.
