Re: Document Number L99000004368

I received the recent Certificate of Dissolution of the above LLC. I do not understand why I never received either the original notice of the annual report due (presumably sent to me in January 2001) or the follow-up notice in May 2001. I can only surmise that there might have been some problem with temporary forwarding of my mail during those periods though it's hard to imagine that both notices went astray.

I telephoned your office and was instructed to explain the above and send the regular \$50 fee with the explanation that the previous notices were never received. I will be on the alert to make sure that the 2002 notice arrives.

I trust the enclosed reinstatement documents are satisfactory.
