Ms. Clark,

It was just brought to my attention that the name of your limited liability company does not contain a limited liability company suffix. "Inc." is a corporation suffix, not a limited liability company suffix. Therefore, your articles of organization were accepted and filed in error.

The name of a limited liability company must end with the words "Limited Liability Company," the abbreviation "L.L.C.," or the designation "LLC." The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co."

To correct this error, the limited liability company must file an amendment. The fee to file the amendment will be abated due to our processing error. Please click on the following link to download the form and instructions:

Please fax the completed form to my attention at 850-245-6030. Or, if you prefer, you may mail the form to my attention. My address is as follows:

I apologize for the oversight. If I may be of any further assistance, please do not hesitate to contact me.

Best wishes,
