To Whom It May Concern:

This is in regards to the *Application By Foreign Limited Liability Company For Authorization To Transact Business In Florida.*

**Question # 11, Nature of Business:**

**We are a Supplier, NOT a contractor or sub-contractor. We manufacture pre-cast concrete bridges off-site and deliver them on flatbed trucks to job sites, where they are installed by our customer (typically a general contractor). Production is typically outsourced. Our payroll dollars are for class 8742 Sales Reps who operate from a leased office in your State.**

Due to complications understanding the nature of our business that have been experienced while registering in other states due to lack of space on the application form we have found it best to provide a full description on a separate page.

In regards to the *Certificate of Designation Of Registered Agent/Registered Office*, please note that the person listed is a sales employee using a leased office for the purpose of selling our product. A phone call to your office informed us that we were required to have someone in Florida act as our agent and that is the **only** reason we have our employee's name listed. We respectfully request that any and all correspondence be sent, or copied, to our Corporate Headquarters in Cincinnati, Ohio (address on file).

If you require any additional information, please contact us immediately so that we may complete our registration process as quickly as possible. Thank you for your help!!
