Dear Sir or Madam:

We are the accountants for the above referenced taxpayer. We are assisting the taxpayer with registration as a foreign limited liability company (LLC) with the state of Florida.

The taxpayer is a Delaware LLC formed on April 4, 2002. It has just recently sent in the form "Application by foreign limited liability company for authorization to transact business in Florida" with the required payment of \$125.00 for the application filling fee and the designation of registered agent fee. The form "Certificate of designation of registered agent" was not included in that package since we were waiting for an original signature from the registered agent we selected. We are now enclosing this form with the original signature for filling with the state of Florida. We have enclosed a **copy** of the filed form "Application by foreign limited liability company for authorization to transact business in Florida" for your reference. Again this is only a copy to supply you with the information that should be already received by your office.

Please process this form accordingly. Thank you for your attention. Please contact the undersigned with any questions.

Sincerely,

Tanton And Company LLP
