We have received your document for DULANY ENTERPRISES, INC. and your check(s) totaling \$65.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

To file a conversion in the state of Florida, either the entity being converted or the entity that is the result of the conversion must be organized, incorporated, or formed under the laws of the state of Florida. An entity organized outside the state of Florida converting to an entity also organized outside the state of Florida cannot file a conversion in Florida. In this case, the converting entity must withdraw or cancel its Florida registration. Then, if the resulting entity will be transacting business in the state of Florida, it must re-register under the correct entity type.

If you have any questions concerning the filing of your document, please call (850) 245-6020.
