Dear Ms. Cline:

We received your letter number 506A00052611. In regards to the date we first transacted business in the State of Florida, I believe that we made an error in stating June 1st, 2005. At that time we simply began the conceptual and designing process. However, it was not until September 11th of this year that we actually commenced work in Florida, in the form of submitting drawings to the Florida Building Department.

Please let us know what we should do to correct this error in our application.

Sincerely,

Maria Jaquez
