RE: Change of billing address

Dear Valued Vendor,

We would like to take this opportunity to thank you for your continued support and service to Hermosa Construction Group. Despite tough economic conditions, we are fortunate to have good partners like you, providing critical components that make up who we are as a company. We are a service based industry and the tangible products that we deliver to our clients are the very items that you provide. As a result of your exemplary service, we are pleased to announce that our company is growing which will provide more opportunities in the future! As a result of new projects and our recent certification as an SBA 8a, federal government contractor, we have more formally introduced our Birmingham office. Late in 2009, we opened the doors in a prominent and visible location on 3rd Avenue North in downtown Birmingham. While our headquarters will remain in Atlanta with a satellite location in Nashville, TN, we have shifted our accounting functions to the Birmingham location effective today and to correspond to the recent hiring of Steve Lebo as the company's Chief Financial Officer. Steve is in the process of initiating new accounting software that will be administered by premium talent within this new office. Please pardon any "hiccups" while we grow and direct all accounting related inquiries to:
