RE: Particle Sizing Solutions, LLC

To whom it may concern:

Enclosed please find the application form, filing fee and documentation for the above-referenced Limited Liability Company. A twist to our usual procedure – the State of Delaware does not provide originals, the PDF print out attached is what the Secretary of State supplies, and the message from the DE Secretary of State is:

PLEASE NOTE: the State of Delaware went to black and white certificates and the attached are original copies. **NO** hard copies will be forwarded. To alleviate any concerns about the authenticity of business entity certifications, the state has a web site where the authentication number on a certificate can be verified. That site is: <http://www.state.de.us/corp/authver.shtml>.

Please process this filing with the State of Florida. In the interim, should you have any questions, or when I may be of service, please feel free to call on me.

Sincerely,

Cathy Schaibly, Practice Manager
