We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The name of your limited liability company is not available in the state of Florida since it is the same as, or it is not distinguishable from the name of an existing entity on our records. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a foreign limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations. Therefore, the limited liability company must select an alternate name for use in the state of Florida. Also, please note that adding "of Florida" or "Florida" to the end of the name is not acceptable.

Please insert the alternate name in the space provided on the application form. You must also attach a copy of the written consent of the managers or managing members adopting the alternate name for Florida. For your convenience, we are enclosing a fill-in-the-blank form for you to complete and return to our office for processing.

The alternate name must end with the words "Limited Liability Company," the abbreviation "L.L.C.," or the designation "LLC." The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co." The following suffixes are no longer acceptable limited liability company suffixes in Florida: "Limited Company," "L.C.," and "LC."

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
