We have received your document for JACOG LIMITED LIABILITY COMPANY and your check(s) totaling \$125.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name of your limited liability company is not available in the state of Florida since it is the same as, or it is not distinguishable from the name of an existing entity on our records. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a foreign limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations. Therefore, the limited liability company must select an alternate name for use in the state of Florida. Also, please note that adding "of Florida" or "Florida" to the end of the name is not acceptable.

Please insert the alternate name in the space provided on the application form. You must also attach a copy of the written consent of the managers or managing members adopting the alternate name for Florida. For your convenience, we are enclosing a fill-in-the-blank form for you to complete and return to our office for processing.

The alternate name must end with the words "Limited Liability Company," the abbreviation "L.L.C.," or the designation "LLC." The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co." The following suffixes are no longer acceptable limited liability company suffixes in Florida: "Limited Company," "L.C.," and "LC."

The document must contain the name, title, and business address of each managing member or manager who will manage the foreign limited liability company in the state of Florida. Please insert "MGRM" in the title portion for each managing member and "MGR" in the title portion for each manager.

A business entity may not serve as its own registered agent. Please designate an individual or another business entity with an active registration or filing with this office, having a Florida street address identical with that of the registered office.

A certificate of existence or a certificate of good standing, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6043.
