Re: Filing Fee for Application and Designation of Registered Agent for
Arizona Limited Liability Companies to Do Business in Florida

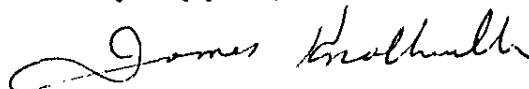

Gentlemen:

We are enclosing the forms to register G.C. Equities LLC and Nicodine LLC to Arizona Limited Liability Companies to Do Business in Florida, together with two checks in the amount of \$130 each for each of the company's filing fee, the Certificates of Designation of Registered Agent, and a copy of Certificate of Statute. Please send us a letter of acknowledgment for the registration for us to submit to the Florida bank.

You will note that one of the items you request for a foreign limited liability company is an original certificate of existence no more than 90 days old. In Arizona the only way to obtain such a certificate is through the internet, paying over the internet and printing the actual certificate on your own printer. There is no way to get another type of copy. Thus, we have submitted to you the original ones we printed and the information that Arizona provides on its site regarding this registration process. There is no other form or format that we can submit to you, and it is in fact the only document we would consider the original certificate of existence. We will assume that this is correct and have included all the information necessary for filing.

We would appreciate your processing this application and designation as soon as possible so we can submit copies to the bank.

Very truly yours,

James G. Knollmiller
