Re: Application by Foreign Limited Liability Company to Transact Business in Florida

To whom It May Concern:

Please see the enclosed application. I noted that the application states that photocopies of the certificate of existence are not acceptable. The enclosed Certificate of Existence is the original that I obtained, as Sixth Scott, LCL's legal counsel, from the office of Utah's Division of Corporations. I stated to the state employee that the document looked like a photocopy. The employee stated that this was an original, that the State of Utah does not issue certificates of existence that include a colored or raised seal, and that this document should suffice. I trust that it will. Please contact me at (801)660-8664 with any questions or comments.

My client is scheduled to take over a company and will have payroll to issue next week, and therefore needs to make workers' compensation arrangements, payroll company processing arrangements, etc. Any assistance you could provide to expedite this application would be extremely appreciated and meaningful to the soon-to-be employees of the company.

Sincerely,

Ryan Nord
