To Whom it may concern:

Our company, Integrated Knowledge Group, Inc (FEIN 77-0405923) applied for and received Foreign Corporation status in the state of Florida in the first quarter of 2009. We did this because we employ a Florida resident as a computer software developer for our company which develops and sells Agricultural specific software. We have contentiously filed UTC reports and payments each quarter and have remained in good standing with the state of Florida.

On August 27, 2010 we merged with another corporation, Pr3 Software, LLC and began operating under their FEIN 80-0638553. We continued to file and pay the UTC as we had been, it had not registered that we had not changed the information with the Florida Department of State.

This application is to register Pr3 Software, LLC as a foreign corporation in the state of Florida. Our first payroll paid to the Florida resident was in September of 2010, which, I assume, would be our first business transacted in Florida by this company, but we have been still filing our taxes and operating under the Integrated Knowledge Group, Inc. umbrella.

That being the case I am unsure how to answer question 6?

In addition, I need information on how to move the UTC taxes paid under the company name, Integrated Knowledge Group FEIN 77-0405923 to Pr3 Software, LLC FEIN 80-0638553. Any help you can offer would be appreciated.

Sincerely,

Angel Alderson
