Re: Letter Number 912A00022350

To Whom It May Concern:

We are writing in response to your letter dated September 4, 2012 (copy enclosed). In such letter you indicate that our application for authorization to transact business in Florida could not be processed because a certificate of existence issued with 90 days of the date of the application was not included with the application documents. Enclosed is an original certificate of good standing and existence in the State of Delaware dated August 24, 2012. The certificate does not have a title, but does indicate that it is a certificate of legal existence and the LLC is in good standing in the state. This is the only type of affirmation that the Secretary of the State of Delaware issues. We did include this document with our original application and presume that it was inadvertently overlooked.

We trust that the enclosed documents will be acceptable to process our application.

Sincerely,

Luis Aviles, Chief Financial Officer
