To Whom It May Concern:

The State of Delaware does not issue "wet ink" original certificates of existence. They only issue self-authenticating documents with a black and white seal of the state of Delaware; at the bottom the document provides a government website address (corp.delaware.gov/authver.shtml) for any authenticating entity to look up the authenticity of the document provided. This is the authentic document we have provided with our registration.

If there are any questions regarding our status, please do not hesitate to contact us.
