RE: Registration of Foreign LLC

Enclosed please find the completed application, a Certificate of Existence from Georgia, and a check for registration to perform business in the State of Florida.

According to 2 different personnel I spoke with at the Secretary of State's office for Georgia, the only Certificate of Existence they provide is one you can print of the internet yourself after logging into your corporate account with the SOS office. The enclosed certificate is one we printed from our account with the SOS.

If you have questions or need additional information, please let me know.

Thank you,
