We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refile the complete document, including the electronic filing cover sheet.

According to our records, this limited liability company previously made application to transact business in Florida. However, said application was rejected and the LLC was notified it was liable for \$1,393.75 in appropriate fee and penalties because it failed to obtain a certificate of authority prior to transacting business. Until a response is received by this office concerning the prior notification, the application by foreign limited liability company for authorization to transact business in Florida will not be processed.

Please review the following statutes 605.0904 & 605.0905 to determine if the LLC transacted business in Florida prior to the application filing year. If company did not transact business in Florida prior to the application filing year, simply complete a letter stating that you had not transacted business prior the filing qualification with application.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
