To whom it may concern:

My name is Matthew Hand and I am in the process of applying for my Florida Business License. We had a little bit of confusion in regards to the date we needed to record for question 4. My Accountant called and spoke with Ms. Bruce. Ms. Bruce instructed me to send a letter of explanation as to what is really happening. I started with Aflac in 2007 in Ohio. As an insurance agent, I am not required to be incorporated. We are just contracted 1099's with Aflac. However, I made a decision to incorporate this year. My Accountant is located in Ohio, but he is licensed in Florida as well. By mistake, he applied for my business license in Ohio instead of Florida (I moved to Florida on January 1<sup>st</sup>, 2013). We then had to apply for a business license in Florida as well. He advised me to use the date that I moved down to Florida as the first date I conducted business as this entity. However, I did challenge his advice as I was not incorporated at that time and I was not required to be incorporated either. I was simply conducting business as a 1099 employee of Aflac. Aflac is still paying me as a 1099 employee of Aflac.

I have made a correction to my application. I have replaced the date with 2-24-15 as this is the date that I mistakenly became incorporated in Ohio instead of Florida. Please advise me if there are any other things I need to do to process this request. I thank you in advance for your assistance with this matter.

Regards,

Matthew Hand
