To Whom it May Concern,

Attached please find my application as a Foreign LLC for the State of Florida. I am in the process of establishing my Sellers of Travel for my business with the State of Florida and find the whole thing to be quite confusing. I have already submitted the necessary documentation to the department that handles SOT but was unaware that I needed to be established as a foreign entity first. My application for my SOT is pending this information. If there is any possible way, upon completion and approval of this application, to share the proof of registration with the person handling my SOT process that would be greatly appreciated. Her information is as follows:
