SUBJECT: FORTEX GROUP LLC Ref. Number: W16000022327

We have received your document for FORTEX GROUP LLC and your check(s) totaling \$125.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name of your limited liability company is not available in the state of Florida since it is the same as, or it is not distinguishable from the name of an existing entity on our records. Therefore, the limited liability company must select an alternate name for use in the state of Florida.

Please insert the alternate name in the space provided on the application form.

The alternate name must contain the words "Limited Liability Company," the abbreviation "L.L.C.," or the designation "LLC." The following suffixes are no longer acceptable: "Limited Company," "L.C.," and "LC". The abbreviations "Ltd." and "Co.", also are no longer acceptable.

The document number of the name conflict is L15000076180 FORTEX GROUP LLC.

Your office was closed when I attempted to contact you. The dissolution forms reference the wrong statute, when this is corrected the registration can be filed.,

## L15000076180 FORTEX GROUP LLC

RE: Document Number # L15000076180

To: FLORIDA DIVISION OF CORPORATIONS

On April 30, 2015, I erroneously created a Florida Limited Liability Company instead of filing a Registration of Foreign Limited Liability Company for my company formed in Delaware. I understand that to correct this issue I must dissolve the Florida LLC and using the same name file the foreign registration of the Delaware LLC.

Attached is the application for dissolution of this LLC, Document Number # L15000076180 and the documentation for the Registration of my company from Delaware.
