Dear Sirs,

We respectfully ask that this application be expedited in processing.

We are a Colorado based company, for fourteen years. We have been contracted by a Florida based company to travel to and complete specialized maintenances to the Tampa area communication towers. Our crew will be in the state for a period of no more than 4 months to complete the multiple-site projects.

Per your states statues we must have Insurance for Work Comp through a Licensed Insurance Company in your state. Completing this requirement is necessary for that process. We will not be relocating to Florida as a brick and mortar business. We will be sending one 4-man crew in one of our utility truck, stay at extended stay Hotels near the site locations, and be returning to Colorado upon completion.

Please waive the requirement of registering the name of our limited liability company in your state.

Enclosed pleas find Check # 14883 in the amount of \$160.00 for the complete application and certification necessary for us to obtain Work Comp Insurance.

We are hoping to start the first site project on August 7, 2017 and have to have all logistics in place. Any assistance on this would be greatly appreciated.

Any questions or concerns please contact me direct.

Thank you,

Lynn A. Sheridan
