Each Member (and any future assignee(s), including, without limitation, the holder of a charging order) is put on notice that (i) the Managers may make investment decisions that may produce significant income tax liability to the Members and assignees and that corresponding distributions with which to pay such income tax liability may not be made and (ii) that the terms of the operating agreement provide that (a) this is reasonable, and (b) does not constitute a breach of fiduciary duty by the Managers.
