Mr. Anney,

While submitting the application by a Foreign LLC for authorization to transact business in Florida, I David W Orr, inadvertently typed in the date MER was originally organized in the Sate of Kentucky. I apologize for the mistake. This has been corrected on the application

! have included the Certificate of Existence (letter of good standing) dated 11/5/18 from Kentucky and corrected the date on the application stating that MER would first transact business in Florida on the date of registration.

I hope this clarifies my mistake and we can proceed without the penalty, since MER did not start working in Florida until we are registered.

Please contact me with any questions or concerns.

Thank yo

David W Orr
