Statement of Fact

Sterett Service Company LLC filed Qualification documents with 'Florida Office of State' on January 24, 2019 and was assigned document number M19000000824.

Before filing, the needed document was emailed to Kevin Dennis who was to be the registered agent. Mr Dennis needed only to sign his name on the line required for registered agent. This was clearly marked for him to do so.

When Sterett Service Company received the filed documents in the mail, it was obvious that they had been altered by Mr. Dennis, adding himself as an authorized member. The document reflects that the addition was made by hand printing and not typed, as was the original document that was emailed to him. It appears that white out was also used on the document Mr. Dennis filed with Florida Office of State.

Upon discovery that the filed documents had been altered, Sterett Service Company immediately contacted the Florida Office of State and filed an amendment that removed him as an authorized member.
