Re: Resubmission of Rejected Application of Foreign LLC

We received an email stating that our Foreign LLC Application was rejected as the registered agent was not, according to your records, registered and authorized to transact business in Florida. I have conferred with CT Corporation regarding this, and they have advised that they are indeed registered in the state of Florida, however, the previous name in the initial application was not complete. This error has been corrected and the complete name is being submitted in this application once again.

Please let me know if there are any other questions or issues. My contact information can be found below my signature.

Sincerely,

X
