Dear Melanie:

Please be advised that the undersigned represents the principal of each of the above referenced companies. Due to a clerical error in our office, the above referenced Florida corporations were formed and filed with the Florida division of corporations. However, these corporations were eventually dissolved because new companies were created in the State of Wyoming. It was always our client's intention to form these companies in Wyoming and not in Florida. The companies from the State of Wyoming were herby registered to do business in the State of Florida. Recently, the State of Florida rejected the

filings because, according to the division of corporations, we have also filed corporations with similar names to do business in Florida. Please let this letter serve as confirmation that the Florida companies will not be used to conduct any business now or in the future. The intention is to do business with only the Wyoming Limited Liability Companies. If you require any additional information or have any questions, please feel free to contact me.

Very truly yours.

Michael b. Morino

AGREED and ACKNOWLEDGED:
