RE: Reference # M26579

At the beginning of July, 2001 I received notification that our Uniform Business Report was past due. I immediately called to remedy the problem. The problem was that I never received the original form that is due in May. I was told to fill out the past due form, send a check for \$150.00 and write a covering letter explaining the matter. I did this on July 9, which is the date of the check.

Last week I received a letter (copy attached) asking for the \$400.00 late fee. There was no indication that my letter had been read or received. I called again and was told to write another letter explaining the situation - again! This is the letter.

Once again, the original form was never received, I could not possibly file on time because I had no form to file. If you check our records you will see that we have filed on time every year. There would be no reason why this year should be any different except that the original form was never received. As you can see by the date of the check we did act on the late form ASAP.

I am enclosing the copy of the form which was sent back to us with the letter that is also enclosed.

Thank you,

Ilene Aluma
